

DR TOM TASKER - BIO

Tom has been a Salford GP for 25 years, the last 16 years of which have been at St Andrews Medical Centre in Eccles.

For many years he has worked in clinical leadership - initially as clinical lead for Mental Health in Salford and later as Salford CCG Chair. He has also worked in GM leadership roles including Chair of the Greater Manchester Medical Executive.

Tom is firmly committed to improving the mental health of our community and helped to create Six Degrees Social Enterprise back in 2011, serving as chair of the board until 2016. Addressing health inequalities and achieving parity of esteem for mental health are key drivers for his work.
